YOUR LOCAL AWARD WINNING CLINIC

Welcome to the Autumn edition of our newsletter. It has been a crazy start to the year with COVID 19 lockdowns along with a number of public holidays and now before we know it Easter is on our doorstep. Well, this newsletter has a bit for everyone in an attempt to revitalize,

repair and rejuvenate your skin after the rigors of sun and summer. There are some post summer recovery ideas, a great spray tan offer, a very special deal for those who suffer from redness and vascular conditions and a super deal for anyone who wants to improve the look of their hands! (Yes, you can look at them now and see the pigment and age spots for yourself). As usual, keep an eye on our social media as well

as we are regularly placing special deals for followers on Facebook. If you don't already, start following House of Beauty Medispa so you don't miss any 'hot' deals.

Can't wait to see you in the clinic again soon,

*Julie and the team from

LED LIGHT THERAPY IS THE NEW BEAUTY REVELATION THAT IS TAKING THE WORLD BY STORM.

When your skin is exposed to very specific light wavelengths it has the ability to speed up cellular turnover, decrease healing times in wounds, help with lines and wrinkles by stimulating the production of new collagen, is a brilliant way of controlling Psoriasis, Dermatitis and Eczema, improve acne conditions, decrease redness and provide a wonderful sense of wellbeing and calmness.

Who wouldn't want that?

At House of Beauty Medispa we have specialized LED lights that can be used

for any of these conditions to wonderful effect. Treatment programs can be booked by calling the salon.

For the months of April and May ONLY!

As much LED as you can fit into a calendar month (Best results are achieved with sessions every second day.)

PRODUCT FEATURE.

(Paul's Favourite Serum)

Rosactive Bio Filler Super 8 Perfecting Serum.

All House of Beauty regulars will know the superbly hydrating effects of Hyaluronic Acid in the skin. It is almost a mandatory ingredient in everyone's homecare regime. Well, there's a new player in town and it has even more Hyaluronic Acid in it than we have ever seen before.

Of course, Hyaluronic Acid can hold up to 1000x its own weight in water and that means super hydration for your skin.

- › The team have tried it on themselves and love it!
- › We have been using it in treatments and absolutely rave about how great it feels on the skin.
- › It has been racing off the shelves.
- › It is in a large 50ml bottle rather than the usual 30ml.
- › It has double the available Hyaluronic Acid than any other hydrating serum we stock.
- › Contains 8 different forms of Hyaluronic Acid to maximise your skin's hydration levels.

IF YOU HAVEN'T ALREADY TRIED USING IT – **GET SOME SOON.**

MAINTAIN YOUR SUMMER TAN ALL YEAR.

With an Instant Spray-On Tan matched to your skin type and colour.

The aim of a great spray tan is to deliver a healthy, bronzed look. When done well with good quality tans they look amazing. Done poorly they are a conversation piece for all the wrong reasons! At House of Beauty, we colour match your skin type to the tan we use to ensure your tan will look natural and even.

For a short time only, these tans will be available with a FREE Loofah glove.
